November 2018 Newsletter

Meeting will be at 7:00 pm, Wed, Nov 28th, in upper level of Heritage House, 100 Lorne St. Guests are always welcome. Our meetings are always the 4th Wednesday of each month.

Speaker: We will have no speaker this month, instead we are having a Christmas Wreath workshop, bring your secateurs, a wreath frame, and some colorful décor items you want to add to it. I have some boughs of pine, blue spruce, and cedar. If you have any boughs of juniper or other interesting foliage, please bring them. Or buy yourself some from the stores for yourself as I did buy some incense cedar.

Thanks to Danya Edwards from Phyven Marijuana dispensary downtown at 829 Victoria St., who answered members' questions, you may want to look at their website: www.phyven.ca;

Reminder that our meetings are scent free, no perfumes or colognes please, as a couple members are very allergic to scents.

Goodies this month's will be brought by Carolyn Demers and Jennifer Trudeau.

Thanks to Frank Dwyer who thoughtfully bought a new cushion for the piano bench, so Marty Kowalski will be more comfortable playing Christmas carols for us.

We only have 9 items for the silent auction, so if you have any slightly used items you wish to donate, there will be bid sheets available at the meeting - if you are bringing in something, please take a sheet and fill in the top part, re - ITEM _____ and DONATED BY _____. There will be extra sheets at the Christmas party if you can't pick one up at the meeting. Bring cash or checks to the party to pay for your winning bid.

We have about 40 members from our club, and about 20 from FOG (Friends of the Garden) club signed up for the Christmas pot luck on Sunday Dec 9, so please remember you are feeding 60 people when you bring a dish, hopefully everyone can have a spoonfull of your delicious creation. And please be friendly and welcoming to our guests, we should wear our nametags. There is an optional \$10 gift exchange.
