**Thank you** to Feb. speaker Greg Haughton and his slide show presentation from his trip about Garden building in Haiti and Kenya, very interesting.

Reminder that our meetings are scent free, no perfumes or colognes please, as a couple members are very allergic to scents.

Purity Feed is looking for staff for its nursery, if you are interested or know someone who is, contact Carol Wozencroft [cwozencroft@gmail.com](mailto:cwozencroft@gmail.com); or 250-319-5451. Carol has also volunteered to find speakers for our meetings, Fantastic.

Thank you to Karla Kolida for volunteering to be Vice President and, also do the garden tours. Wonderful. She is passing on her gardening DNA to her 11 year old son Chad, who loves coming to our meetings, a Landscape designer in the making.
